Numbers of the Month:

Reviewing 1-20

Front Desk News

Calling All Kindergarten Parents!! It's that time to start preparing for Kindergarten registration. Elementary schools are currently open for registering new kindergarteners, and it's always a good idea to be ahead. Make those doctor appointments to complete school shots too. Also, please bring us a copy of the shot records. We will post a sheet at the front desk so you can let us know what school your child will be going to for the 2017-2018 school year.

Spring Pictures

Spring is almost here! That means pictures with adorable bunnies. Rainbow Memories will be here Tuesday, March, 28th early in the morning through 11am to capture individual spring photos. FYI, there are no classroom pictures (those will be done in the fall.)

Donation Drive

Thank you for all the shoe donations we received during our January shoe drive. We had 44 pairs of shoes donated including many varieties from men to baby shoes. The volunteers at Orchards Homeless Shelter were so grateful, and said the shoes were much needed. So good job to everyone who

supported us!!

Our next donation drive for April will be Hygiene Products. Please bring in toiletry items such as, toothbrushes, hand sanitizer, wipes, and deodorants. We look forward to all our CV families supporting us in helping other Clark County families.

Swim Teacher

As you probably have heard we have a new swim teacher, Miss Kristina! We will be implementing a new swim program and are looking forward to getting all the kids back in the water.

Share Toys

Share toys are to be brought on Friday only and please allow your child to only bring ONE share toy. Avoid toys with multiple small pieces. Thank you!

Illness Report

Thank you to all families that have kept their sick kids home during this flu season. It really does help to keep the germs at bay. We are committed to keeping our center healthy for all, so please do continue to be diligent. We are almost out of the woods, so please continue to keep your kiddies at home if they are experiencing any cold or flu-like symptoms.

School Age Parents

Towards the end of March we will be posting notices for field trips during Spring Break. This will be for 1st graders and up. Please remember to pay the Front Desk in advance for field trips.
